

The M3D Show

Music in 3 Dimensions

The background of the title section features musical notation. A treble clef with a 4/4 time signature is on the left, and a bass clef with a 4/4 time signature is on the right. Musical notes and stems are scattered across the page, some appearing to be part of the title text.

ANIMATED MUSICAL
STORIES & SONGS
FOR KIDS IN 3 DIMENSIONS!

PRODUCED AND DIRECTED BY MARCEL NOTTEA

VOLUME TWO

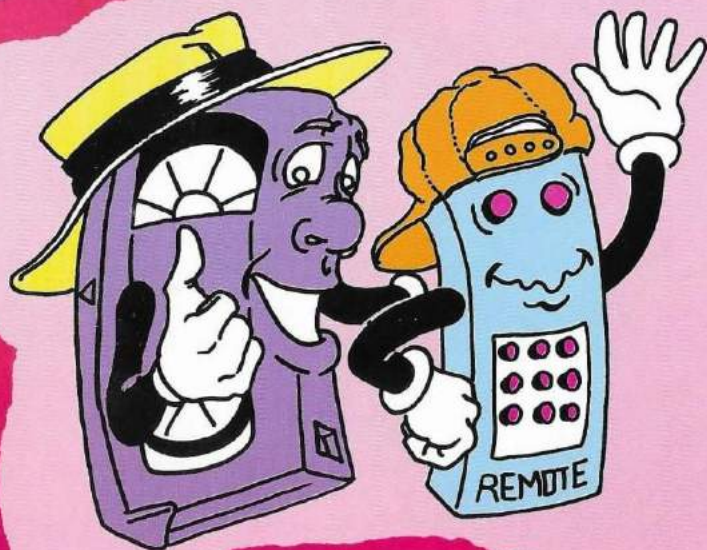

ATTENTION EVERYBODY!

Attention everybody,
it's our second show.

We practiced
and we got it and now
the more we know.
We had to make
improvements,
selecting better songs.
Exciting animation
and you can sing along.

We'll start with little Tommy, who daily likes to see
the three dimension action performing on TV.
Between the flying logos, and songs like ABC.
From one to ten the numbers, the knick-knack melody.

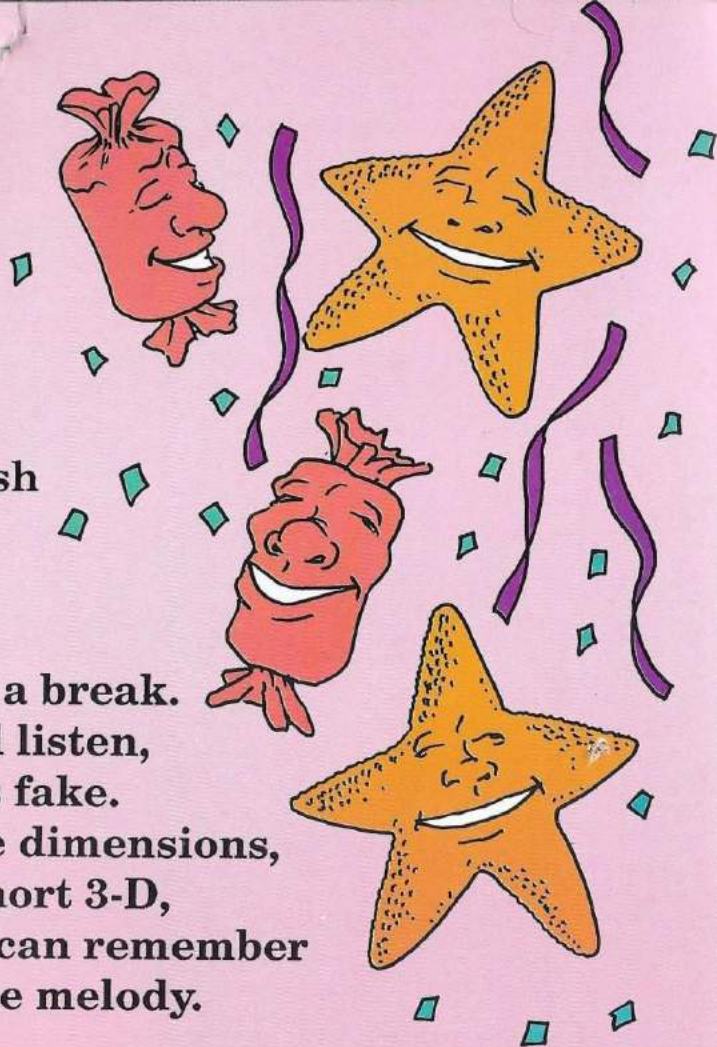

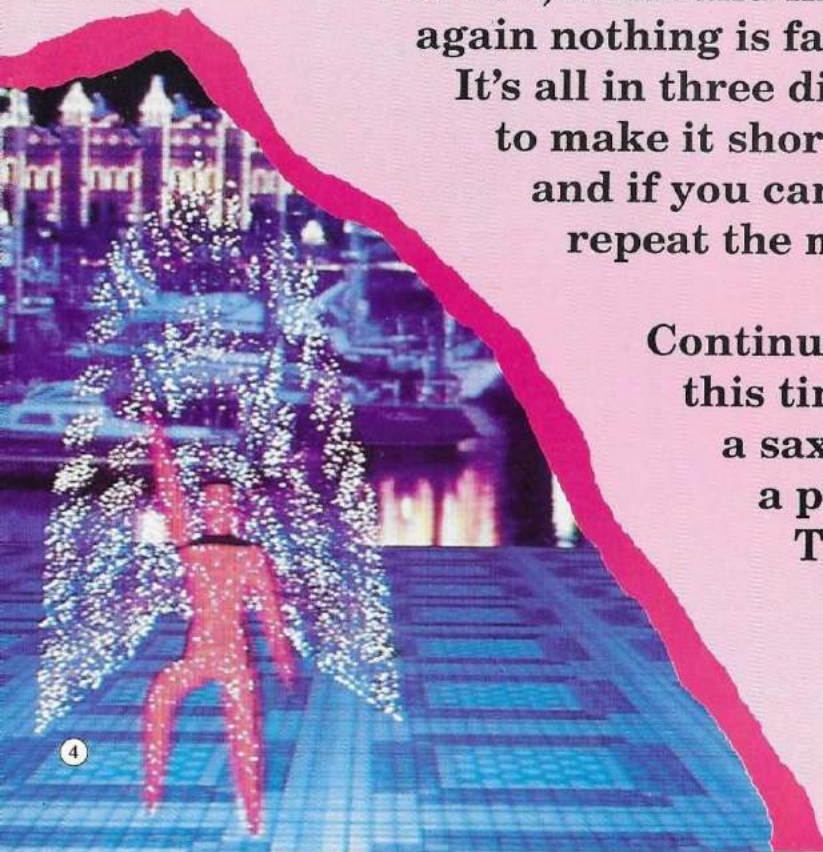

The flying Starlight Dancers
on Earth from outer space,
are coming down to help us
improve the human race.
With passengers together
we'll ride a shiny bus.

The candies with the starfish
are playing on the grass.

Attention everybody,
we're going to take a break.
Just sit, relax and listen,
again nothing is fake.
It's all in three dimensions,
to make it short 3-D,
and if you can remember
repeat the melody.

Continuing the story
this time we've got a band,
a saxophone, a piano,
a piccolo, a stand.
The stage where the perfor-
mance is like in Hollywood.
The talents there are super,
they're very, very good.

**The drums will hold
their duty to keep
up with the beat.
The ducks are going fishing,
on shore they're going to meet.
We'll see the scary lady,
the spider, and the fly.
The spaceship,
and ship baby
together in
the sky.**

**Attention everybody,
we hope this show is fun.
Please tell your friends
about it, the second has begun.
Stay tuned 'cause pretty soon
we'll bring you other shows.
Don't miss it, it's unique.
Remember we're the pros!**

THIS OLD MAN

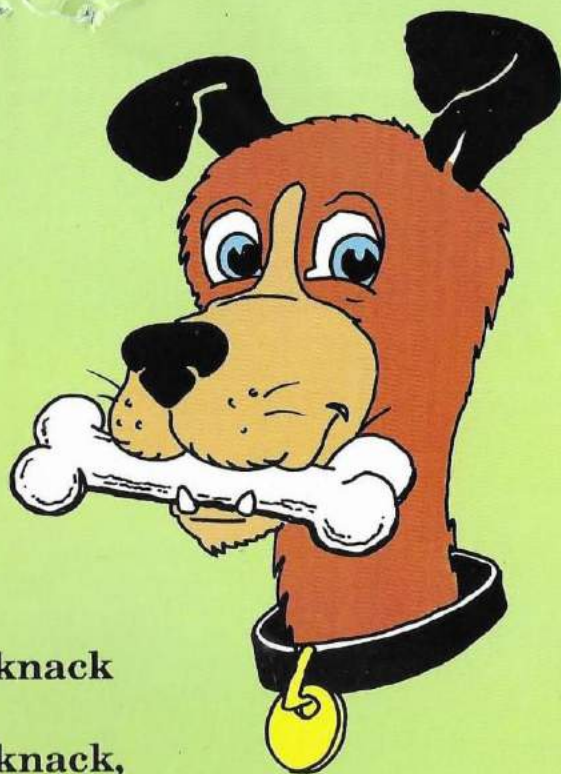

This old man,
he played one,
he played knick-knack
on my thumb.
With a knick-knack,
paddy-whack,
give a dog a bone,
this old man came
rolling home.

This old man,
he played two,
he played knick-knack
on my shoe.
With a knick-knack,
paddy-whack,
give a dog a bone,
this old man came
rolling home.

**This old man,
he played three,
he played knick-knack
on my knee.
With a knick-knack,
paddy-whack,
give a dog a bone,
this old man came
rolling home.**

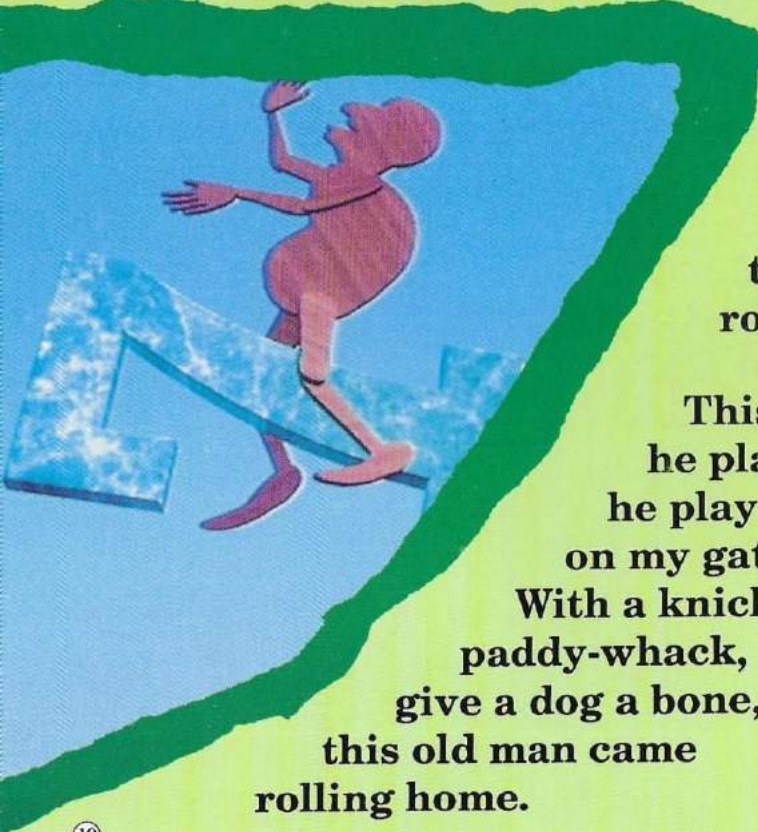

**This old man,
he played four,
he played knick-knack
on my door.
With a knick-knack,
paddy-whack,
give a dog a bone,
this old man came
rolling home.**

**This old man,
he played five,
he played knick-knack
on my hive.
With a knick-knack,
paddy-whack,
give a dog a bone,
this old man came
rolling home.**

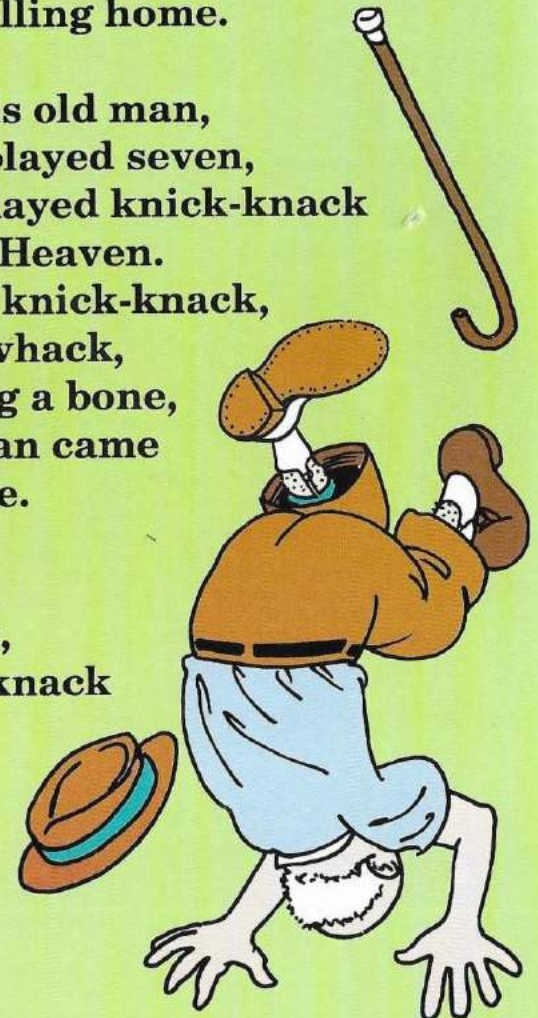

**This old man,
he played six,
he played knick-knack
on my sticks.
With a knick-knack,
paddy-whack,
give a dog a bone,
this old man came
rolling home.**

**This old man,
he played seven,
he played knick-knack
up to Heaven.
With a knick-knack,
paddy-whack,
give a dog a bone,
this old man came
rolling home.**

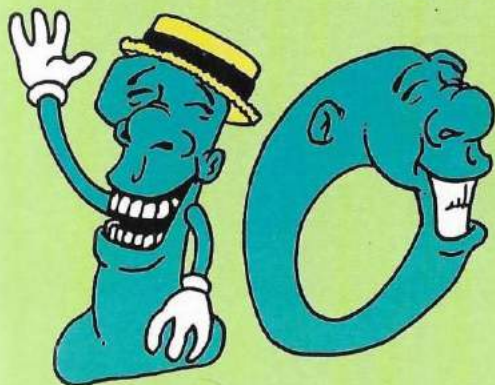

**This old man,
he played eight,
he played knick-knack
on my gate.**

**With a knick-knack,
paddy-whack,
give a dog a bone,
this old man came
rolling home.**

This old man,
he played nine,
he played
knick-knack
on my spine.
With a knick-knack,
paddy-whack,
give a dog a bone,
this old man came
rolling home.

This old man,
he played ten,
he played
knick-knack
over again.
With a knick-knack,
paddy-whack,
give a dog a bone,
this old man came
rolling home.

Tommy

When Tommy is watching TV every day,
his homework is done, then he knows it's OK.
With his remote between channels he flies,
puzzled dimensions he sees through his eyes.

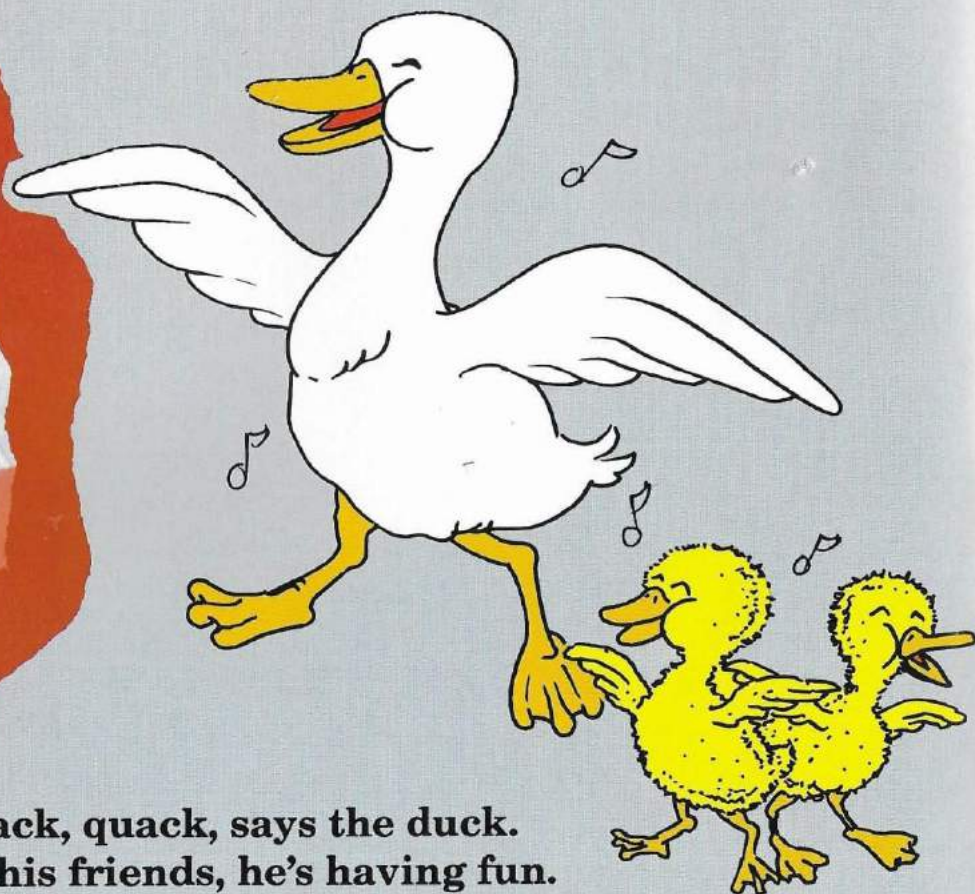

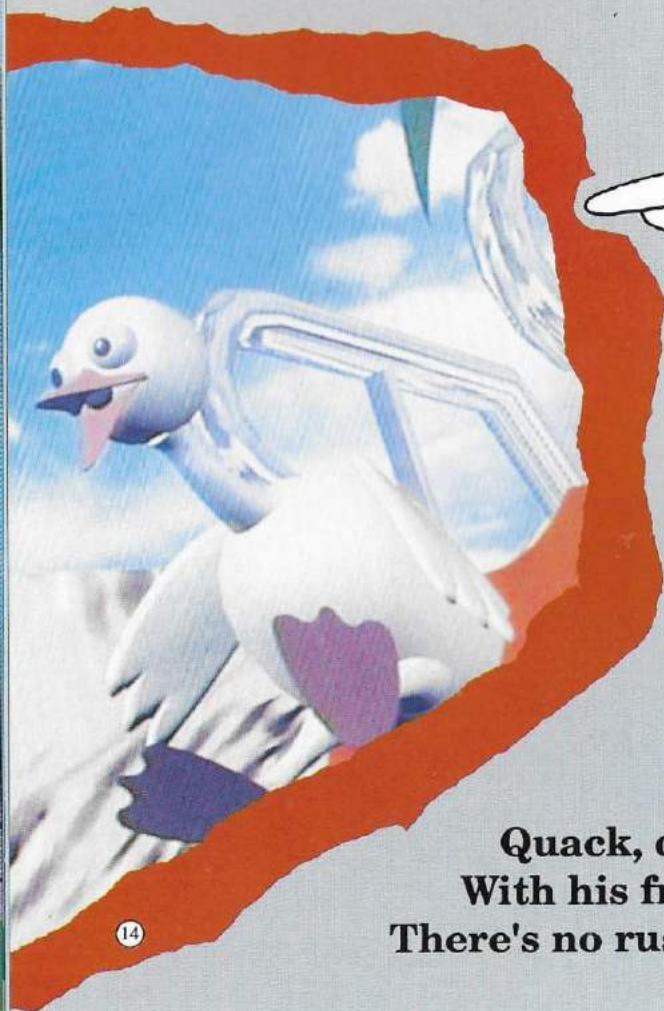

Oh, Tommy!

When Tommy is watching TV every day,
his homework is done, then he knows it's OK.
With his remote between channels he flies,
puzzled dimensions he sees through his eyes.

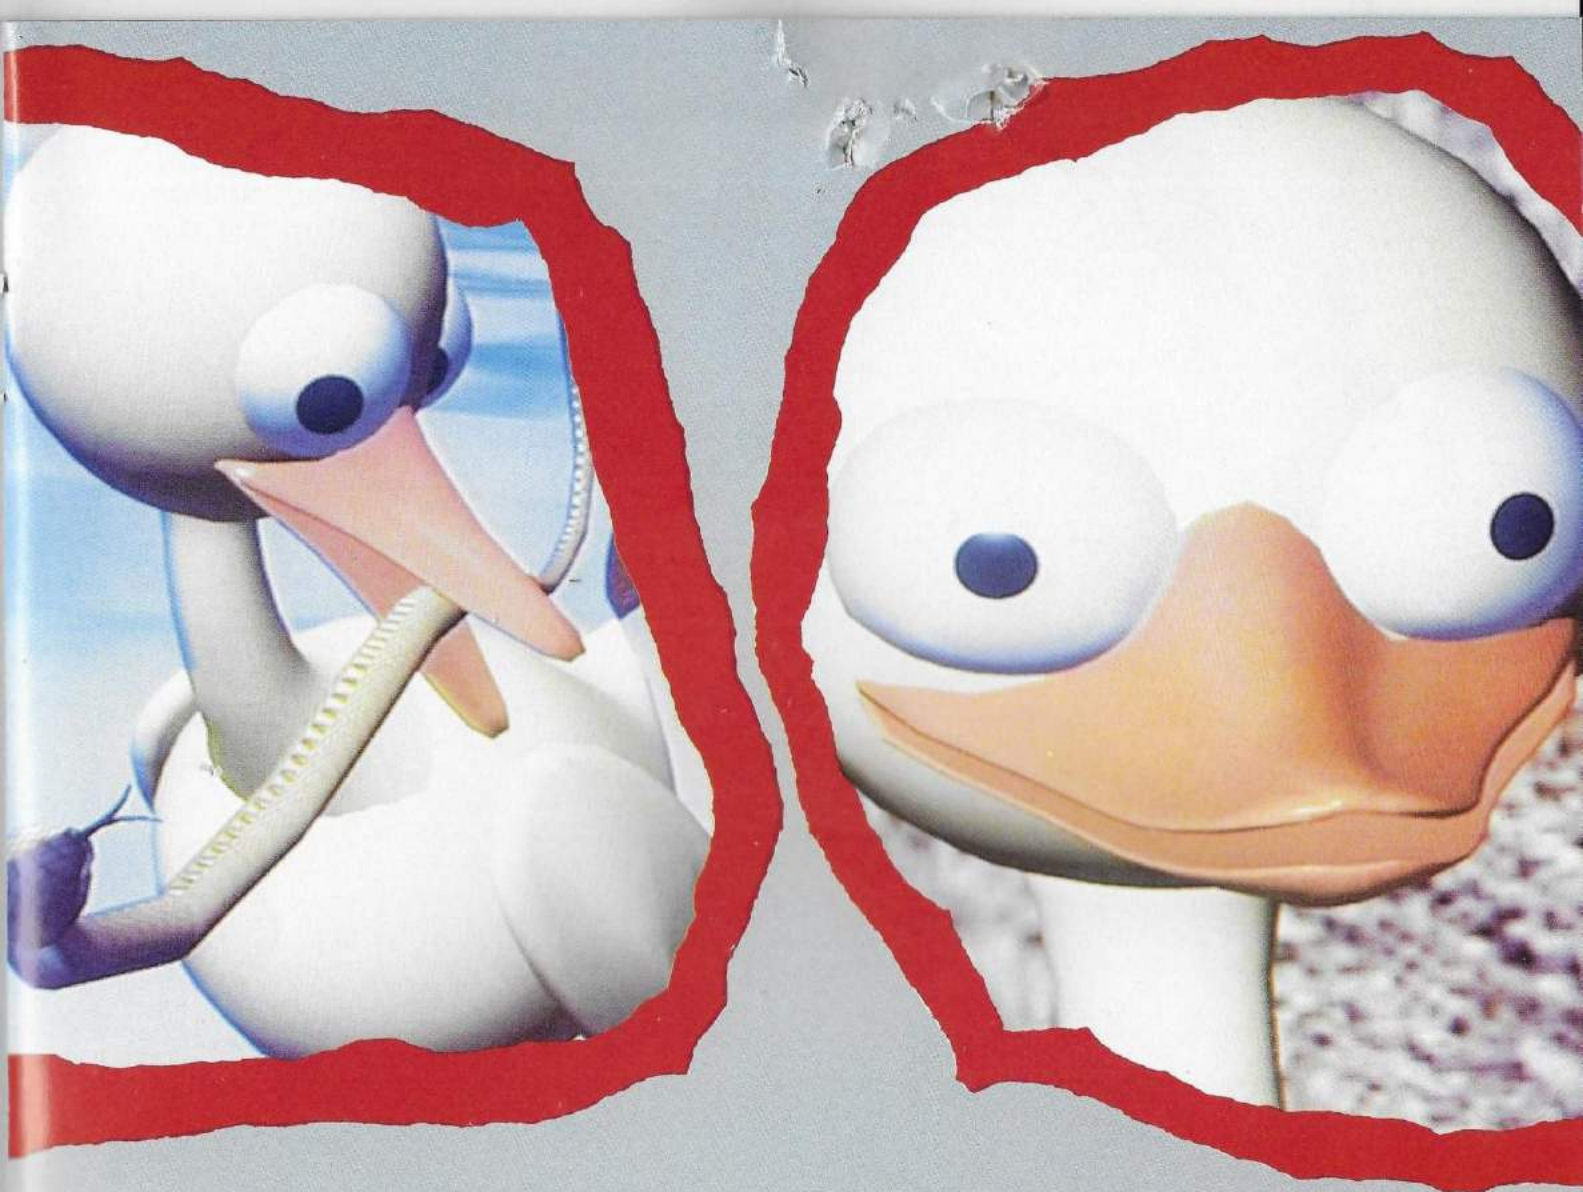

Oh, Tommy!

THE DUCKS

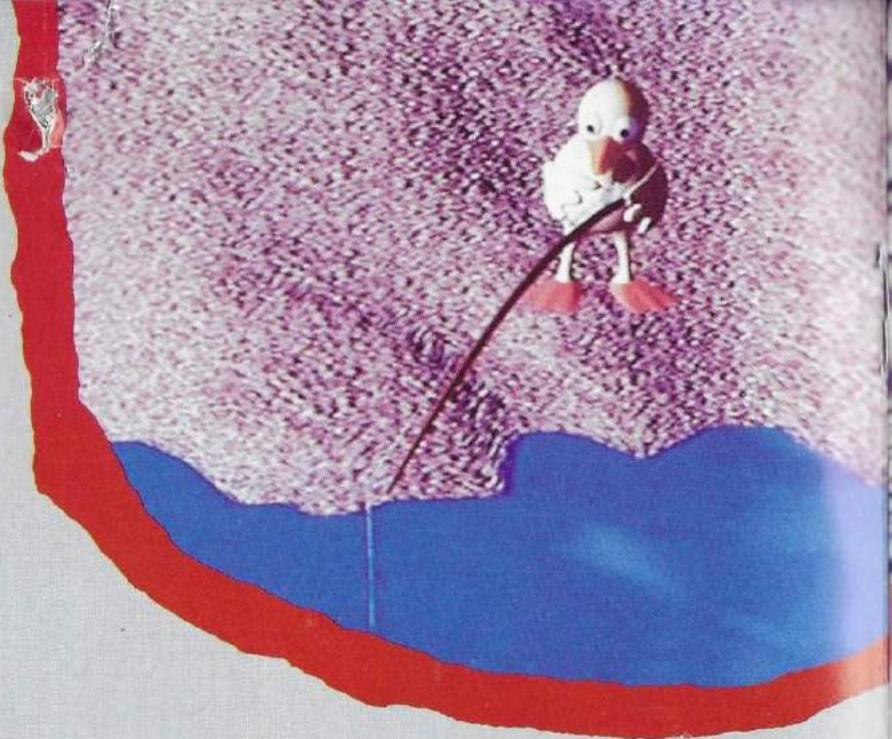

Quack, quack, says the duck.
With his friends, he's having fun.
There's no rush. There's no need to run.

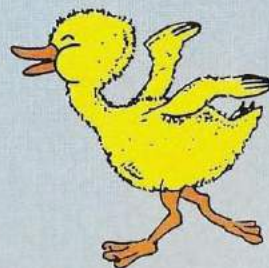

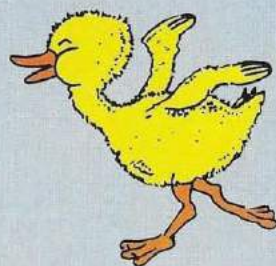

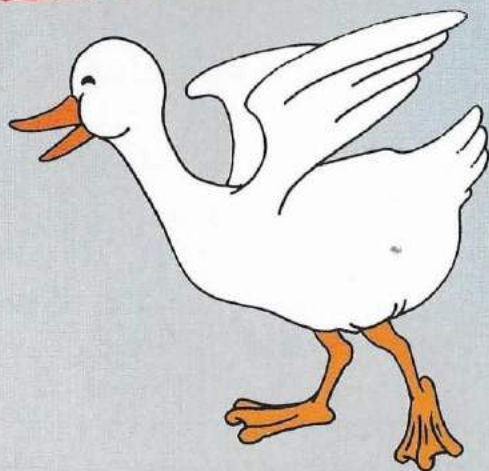

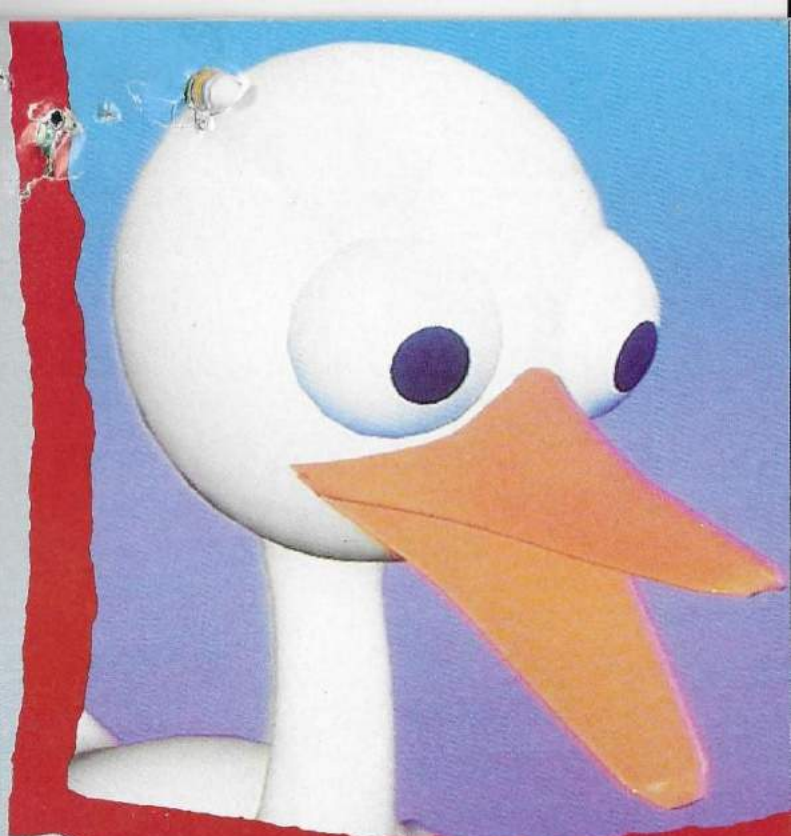

Ducks, ducks, summer heat. On the shore, they like to eat.
On the grass they're marching to the beat.

Duck, duck, he'll survive, even if he's going to dive.
In the lake, they found a swimming snake.

**Quack, quack,
they have luck
fishing with
the fishing pole.
Everyone has yet
a different role.**

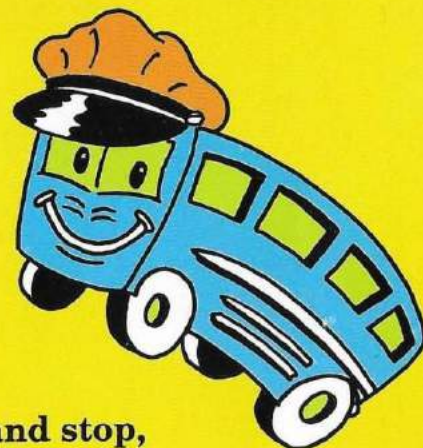

**Ducks, ducks,
happy ducks
sliding down
a shiny swing.
Quackie songs
this summer
they will sing.**

Ducks, ducks, it is late.
Hurry home, the sun won't wait.
Let's be there, before they close the gate.

THE RIDE ON THE BUS

The ride on the bus
is fun... is fun,
to see the town
to hear the sounds.
The ride on the bus
is fun... is fun.
It'll take you all around.

The wheels of the bus
will roll and stop, roll and stop,
roll and stop.
The wheels of the bus will roll and roll
until we reach our goal.

I am the wheel. I am the wheel.
I ride over road and hill.
I'll take you where you'd like to be,
just hop on board and see.

The people on the bus
jump up and down, up and down,
up and down.
They jump from the seats.
They watch the streets.
They really like this beat.

The bus moves on
from side to side,
up and down,
up and down.

The bus moves on
from side to side.
Jump, jump
and ride.

The wipers
on the glass go
left and right,
right and left,
left and right.

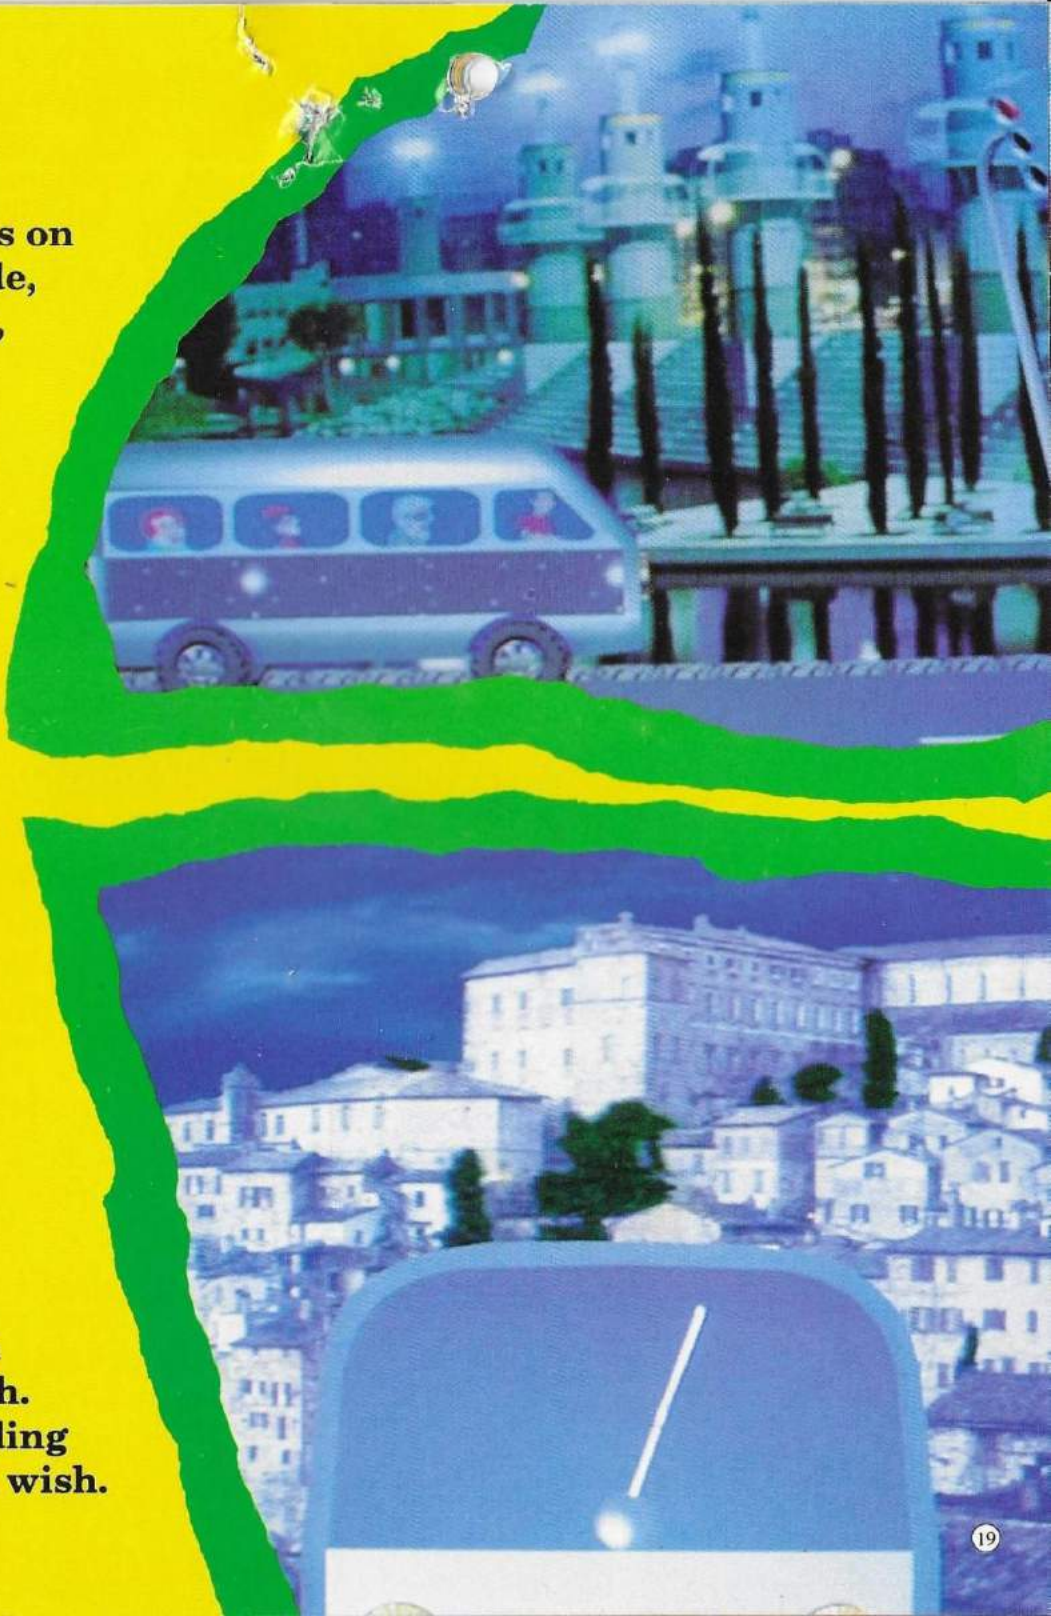

The wipers
on the glass go
left and right,
all through the
day and night.

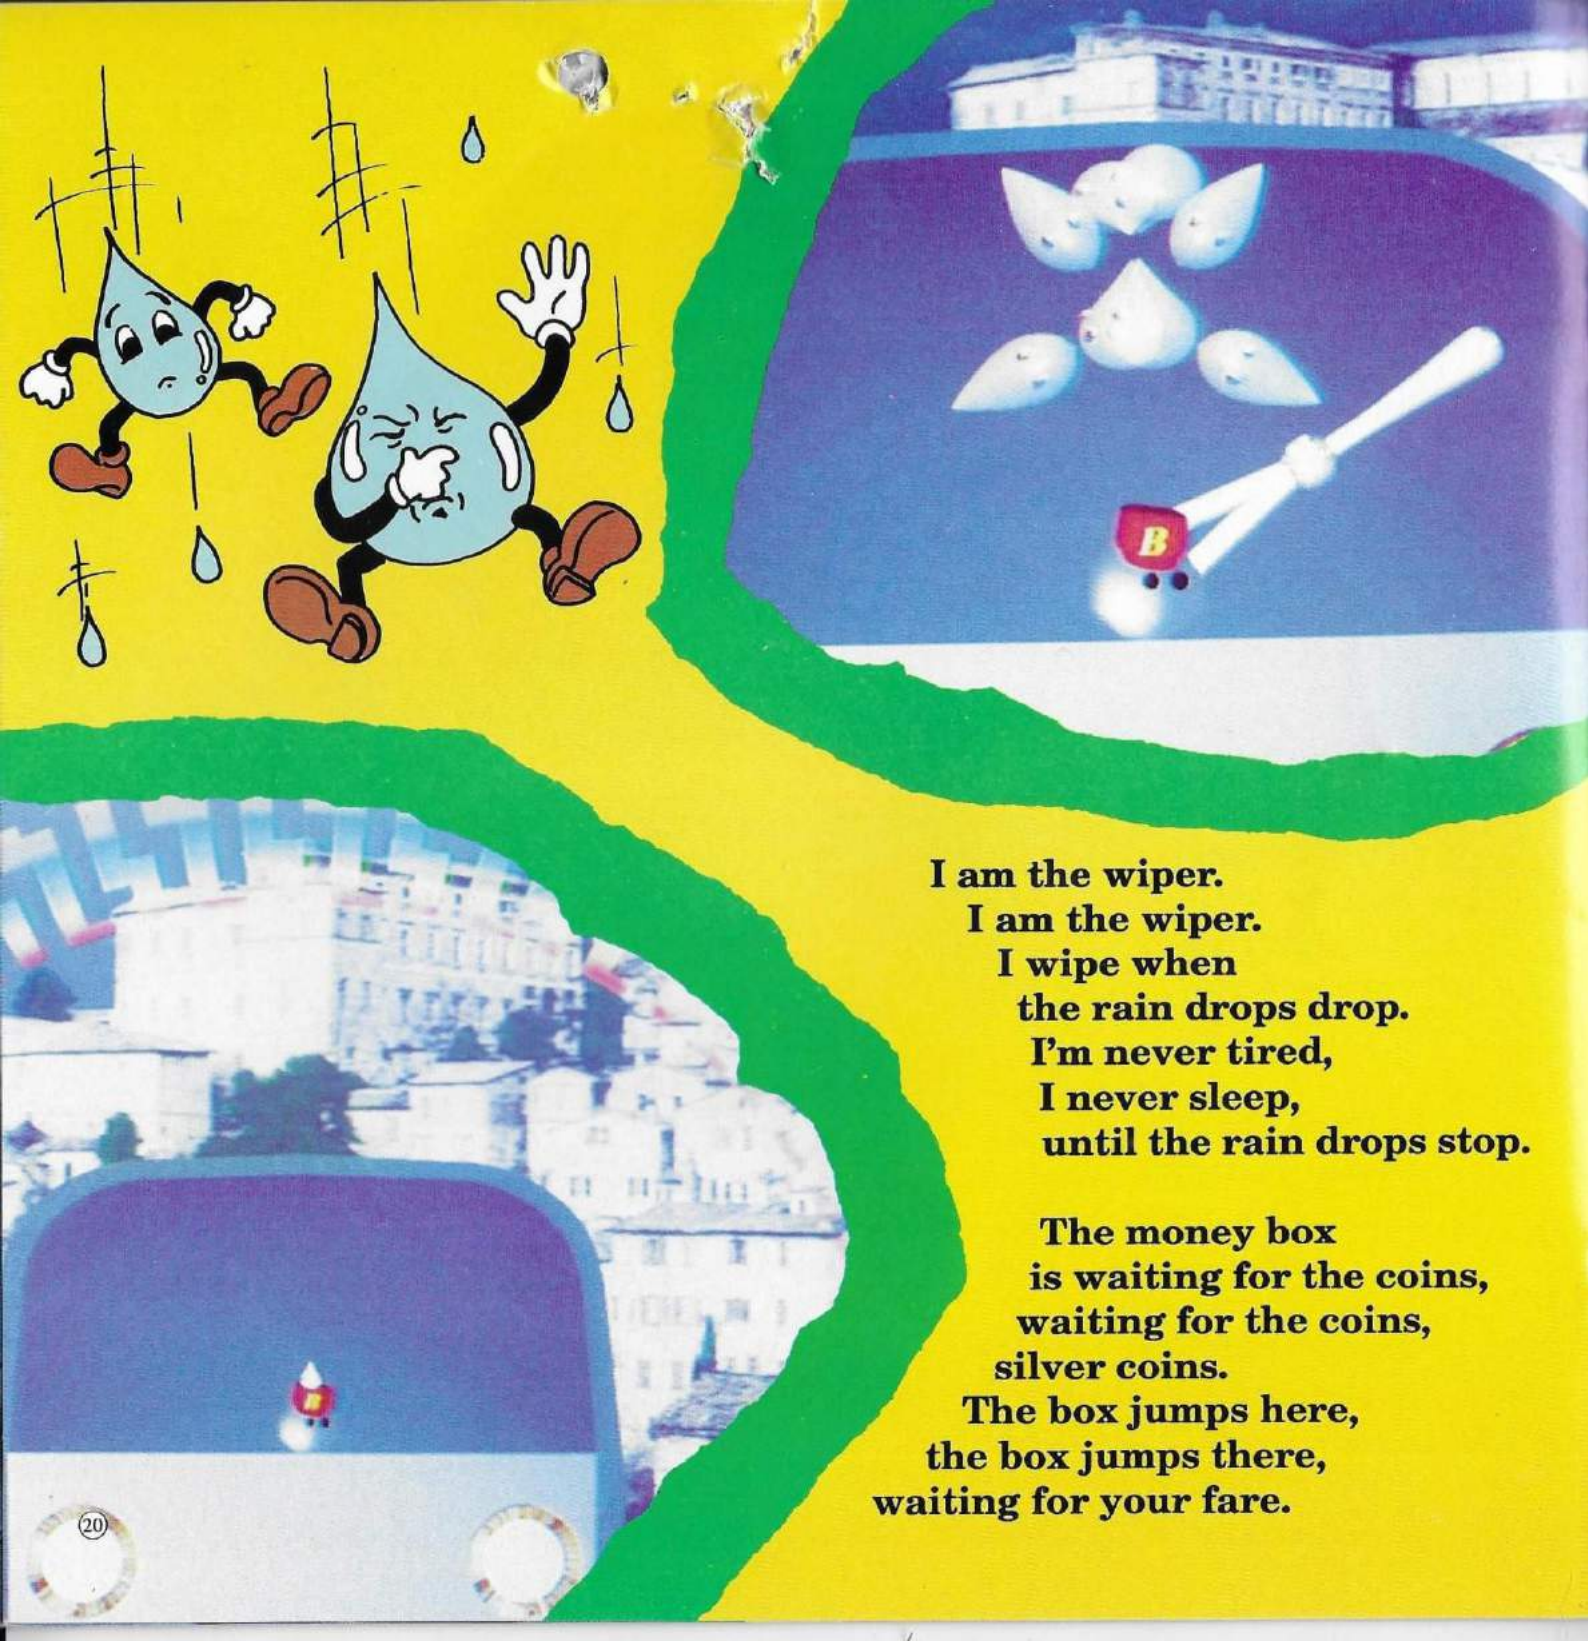

The wipers slip,
the wipers slide.

The glass
is cleaned
while we ride.

The wipers splash
the wipers splish.

We're riding
everywhere you wish.

I am the wiper.

I am the wiper.

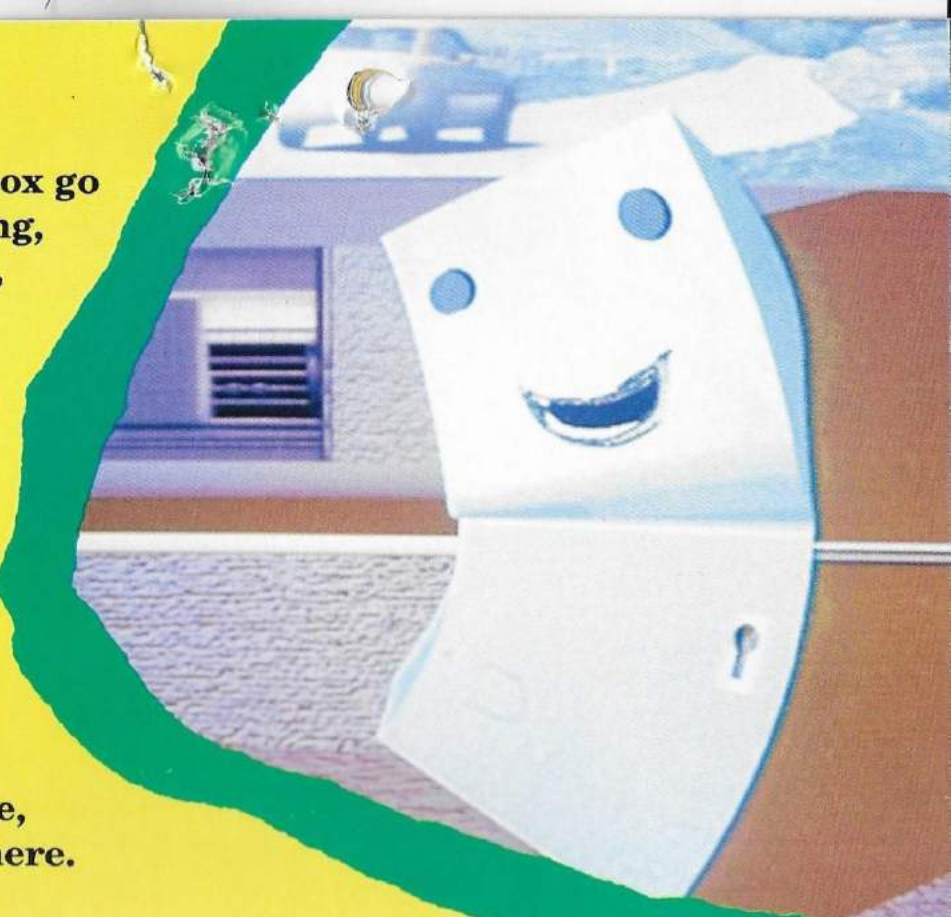

**I wipe when
the rain drops drop.
I'm never tired,
I never sleep,
until the rain drops stop.**

**The money box
is waiting for the coins,
waiting for the coins,
silver coins.**

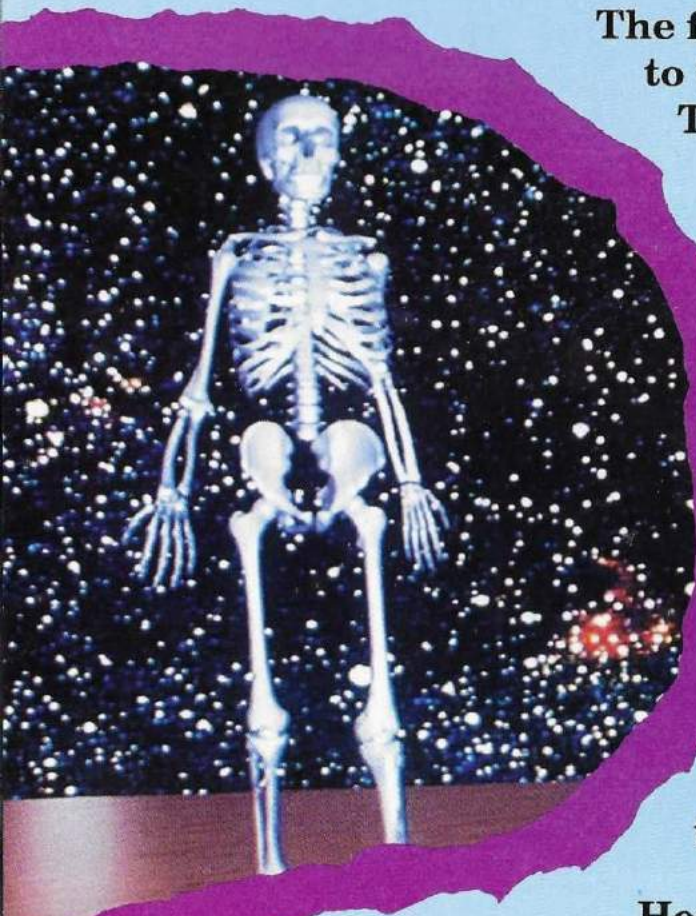

**The box jumps here,
the box jumps there,
waiting for your fare.**

The coins in the box go
ding... ding... ding,
ding... ding... ding,
ding... ding... ding.
The coins in the box
go ding... ding... ding,
until the last
one rings.

I am the box,
I am the box,
The coins roll
down my slots.
I shake them here,
I shake them there,
I shake them everywhere.

them bones gonna dance,
them bones gonna dance around!
Them bones gonna dance around,
them bones gonna dance,
them bones gonna dance around!**

**Round and round!
Hear the word of the Lord!**

COMING SOON

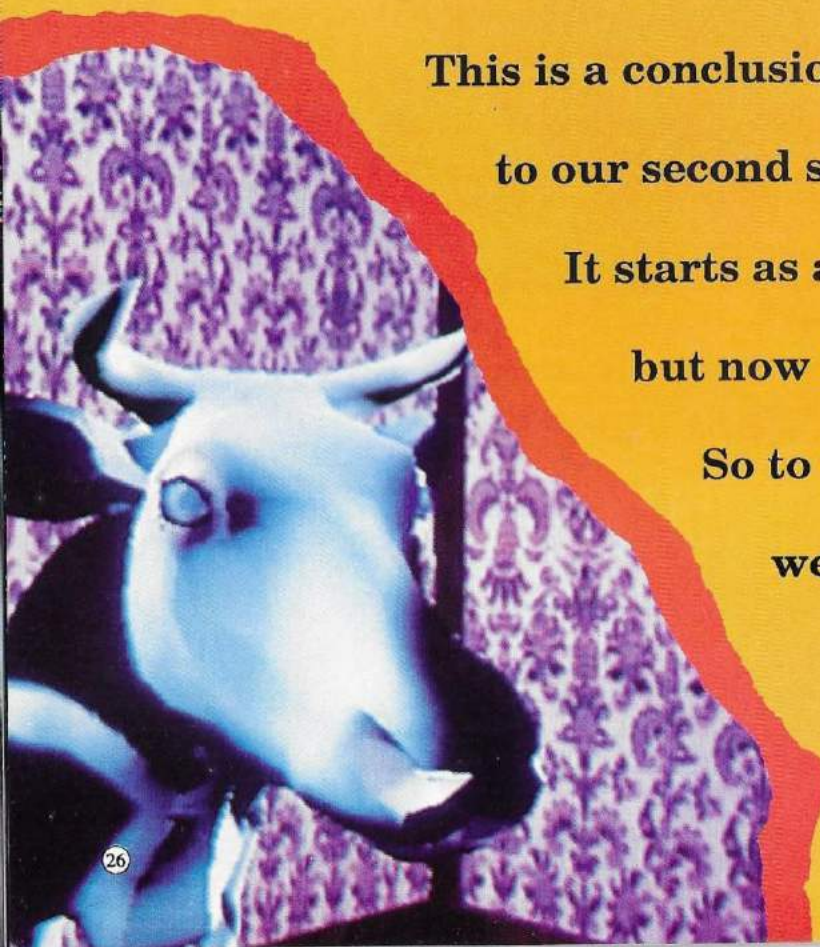

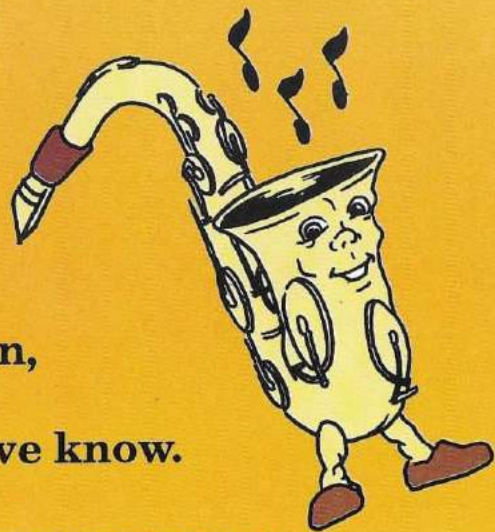

This is a conclusion
to our second show.

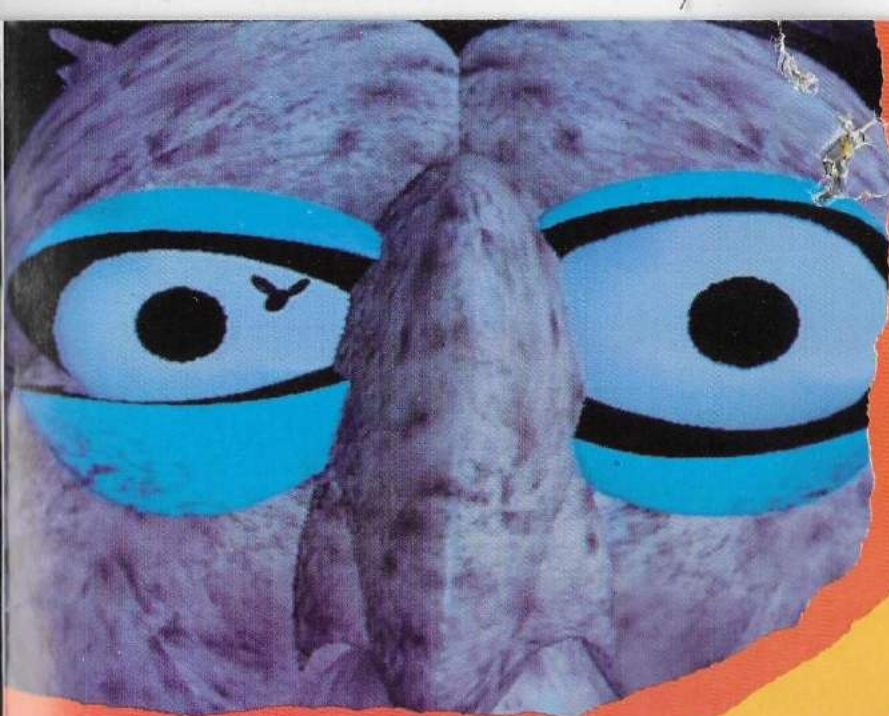

It starts as an illusion,
but now it's real we know.

So to refresh your memory

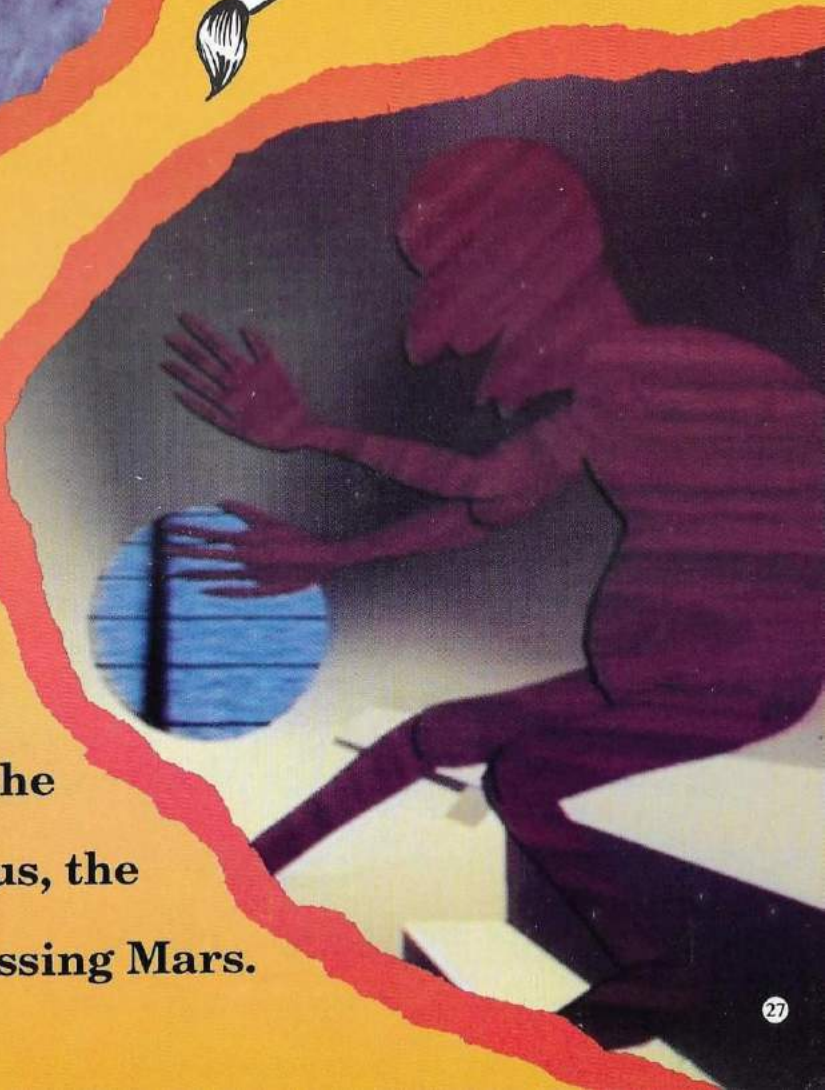

we've got a little tune,

with songs to be remembered,
and those are coming soon.

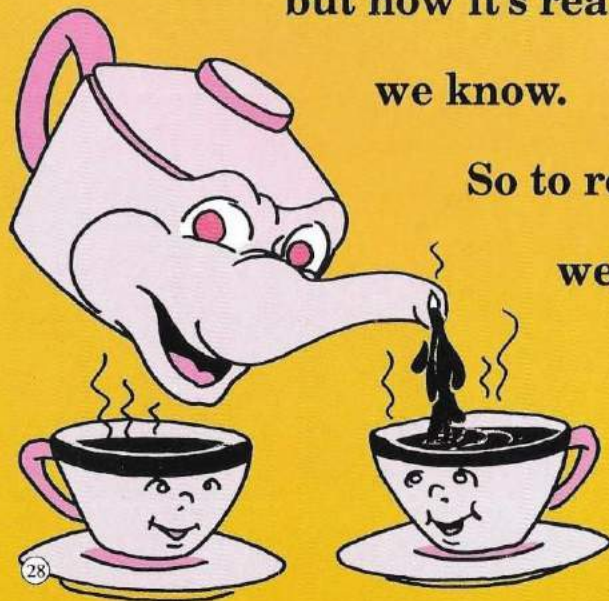

**The Itsy Bitsy Spider,
Old Lady, and Old Man.
The Old MacDonald story,
and numbers one through
ten. The saxophone, the
piano, the dancers from the
stars. The ducks, the bus, the
wiper, and Binki passing Mars.**

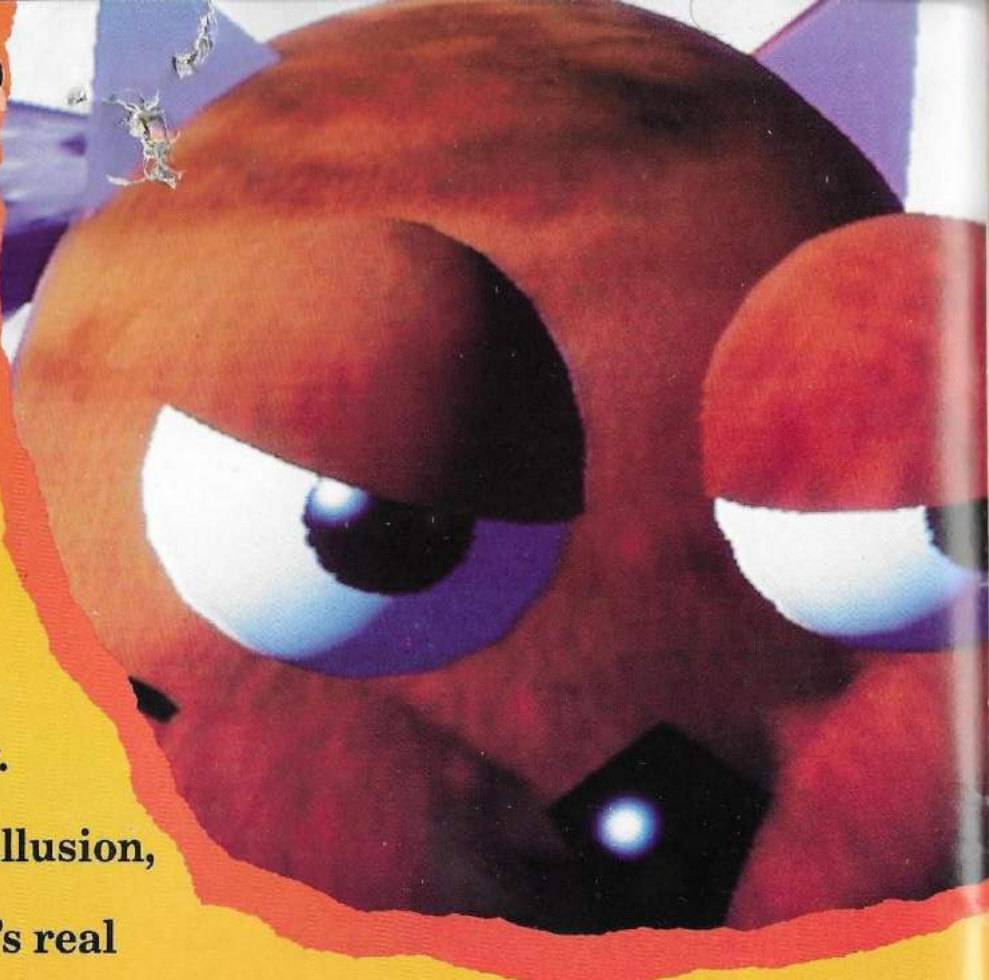

**This is a conclusion
to our second show.**

**It starts as an illusion,
but now it's real
we know.**

**So to refresh your memory
we've got a little tune,
with songs to be remembered
and those
are coming soon.**

**Remember little Tommy,
we'll see him once again.**

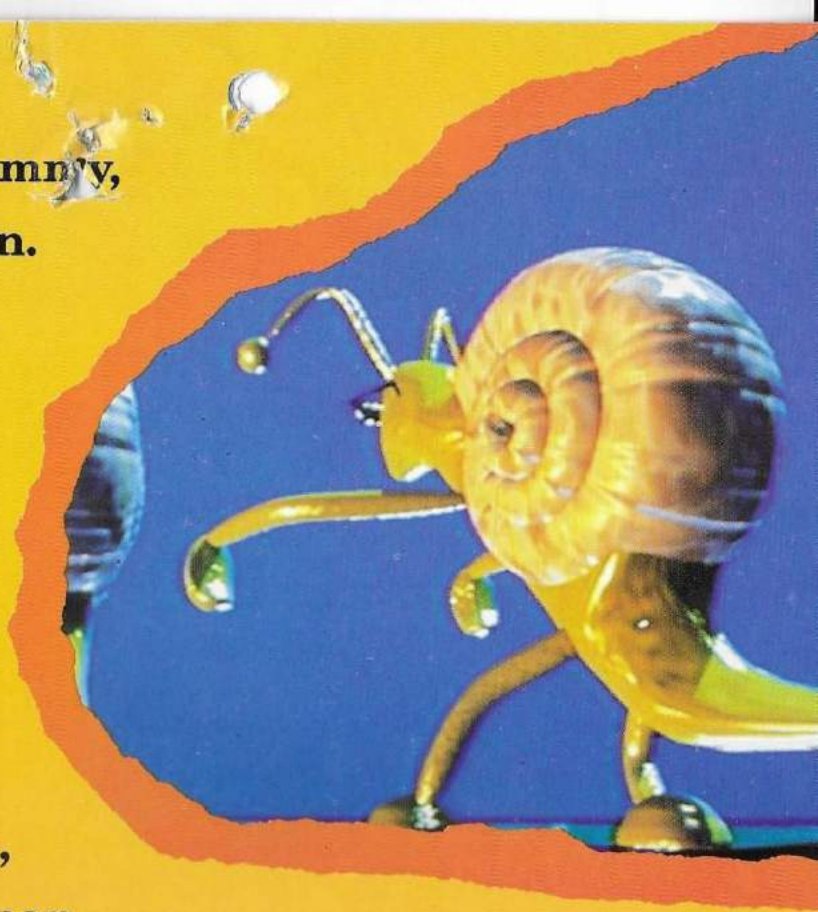

**The basketball,
the giant,
and Sheila will return.**

**The story with
the painter,
his paintings
are bizarre.**

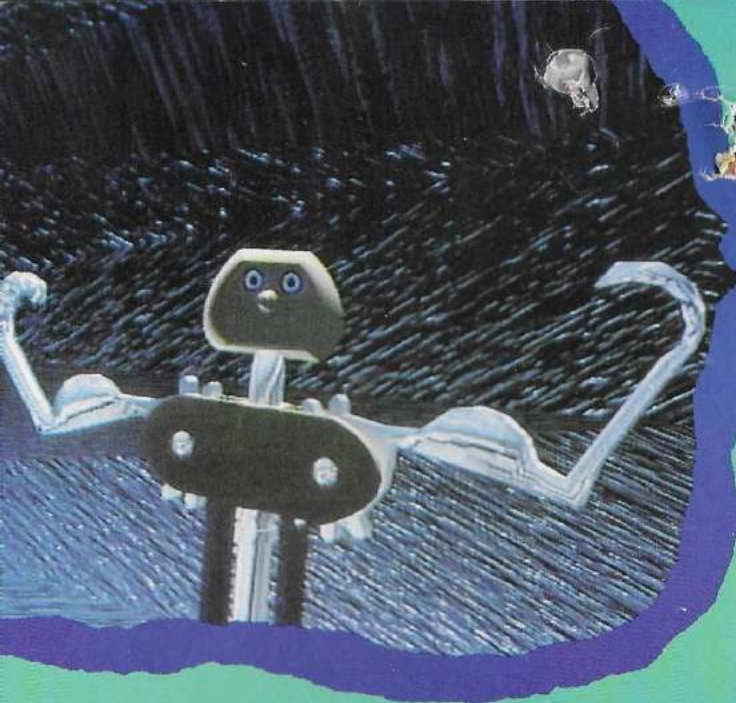

**The clock is keeping time,
the teapot and the car.**

**This is a conclusion
to our second show.**

**It starts as an illusion,
but now it's real we know.
So to refresh your memory
we've got a little tune,
with songs to be remembered,
and those are coming soon.**
